Where Do I Go From Here?

Well! You can start studying the second main source of Islam, i.e., Hadith. There are plenty of Hadith collections available which contain the Arabic text alongside the English translation. You can start with any of them. By now, insha-Allah, you must have developed the capability to identify the meanings of new words in the translation.

وَقُلْ رَبِّ زِدْنِي عِلْمًا

And say: "O My Lord! Increase me in knowledge."

An excellent guide
to lead you to the understanding of the Qur'aan.

All you have to do is...

And Indeed, We have made Qur'aan easy to understand and remember, then is there any that will remember (or receive admonition)?
